Leadership Experience

Alpha Phi Delta Fraternity

Director of Philanthropy

Spring 2017

- Elected to the position by the members of the Fraternity
- Organized and Coordinated an Autism Awareness T-shirt sale across campus and raised over \$5,000 for the charity
- Sought out different volunteering opportunities in the community, helping every member of the Fraternity complete their mandatory community service hours

Macroeconomic Forecasting Competition

Spring 2017

- Extracted and analyzed data from various sources via Excel to develop forecasts for six key macroeconomic variables for the calendar year
- Looked for trends and relations between each variable to predict more accurately the outcome of each by the end of the year
- Created visuals, including graphs and charts, to illustrate the data and macroeconomic forecasts
- Presented findings in front of a panel of judges via PowerPoint presentation
